

Services & Fees Schedule

STRIDE REHAB – MOBILE PHYSIOTHERAPY, SOUTHEAST QUEENSLAND

SERVICE CATEGORY	DESCRIPTION	PRICE / LENGTH OF SERVICE
Support at Home	Physiotherapy delivered to clients under the Support at Home program. Sessions aim to maintain functional independence, manage chronic conditions, and support daily living.	\$149.50/Hour + travel (\$0.90/km, capped at \$50)
Standard Initial Consultation	Physiotherapy for clients referred via private insurance or privately funded. Comprehensive assessment of injury, movement, and goals, followed by a tailored rehabilitation plan. Ongoing sessions deliver focused, goal-driven treatment through targeted exercise, hands-on therapy (including dry needling, soft tissue therapy, and joint mobilisation), and structured injury management to ensure steady progress.	\$139.50/Session (45 min)
Subsequent Consultation		\$129.50/Session (40 min)
NDIS	Allied health physiotherapy sessions funded through the NDIS for clients with a current NDIS plan. Services support mobility, independence, and goal-focused therapy.	\$183.99/Hour + travel
Medicare	Chronic Disease Management (CDM) plan with a gap. Eligible for clients with chronic conditions and complex care needs managed under a Shared Care Plan or GP Management Plan and Team Care Arrangement.	\$109.00/Session (\$61.80 + \$47.20 gap) (30 min)
WorkCover Initial	One-on-one consultations for work-related injuries. Services include assessment, treatment, tailored goal setting, vocational rehabilitation and return-to-work planning, clinical documentation, and communication with insurers to support recovery.	\$132/Session (45 min)
WorkCover Subsequent		\$104/Session (40 min)

Fees current as at time of publication and subject to change. Travel fees apply outside standard service radius. Please contact us to confirm eligibility and out-of-pocket costs for your funding pathway before booking.
